## About Granular Sound Designer Pro

This massive expansion pack offers 2515 presets for Steinberg's Padshop and Padshop Pro VST granular synthesizers. With 683 manipulated stereo samples, this large all-in-one sound set provides an epic solution for film and video game projects.

Designed by composer and producer, Gary Gibbons, at the Professional Music Foundry recording facility in Hong Kong, this sound set demonstrates the power of the Padshop audio engine.

## Features

- 2515 new presets produced by composer and producer Gary Gibbons
- With 683 manipulated stereo samples, this expansion pack delivers a massive amount of patches as an all-in-one VST sound instrument set. The largest Padshop solution ever produced for sound design and music creation!
- Available as download only
- For Mac and Windows users

## Update History

- 2105 presets in Version 1 (February 2018)
- A total of 200 presets was added to Version 1.1 (April 2018)
- A total of 210 presets and 43 stereo samples were added to Version 1.2 (September 2018)

## Compatibility

Granular Sound Designer Pro VST Sound Instrument Set is an expansion pack for Steinberg's Padshop and Padshop Pro.

\* For Non-Padshop Pro users only – To ensure Padshop compatibility, please install our free product Granular Lite 2 before product purchases.
