About Kingdom (V2.0)

A world of sounds from different cultures!

Explore a whole kingdom of new sounds with 355 presets, all created from recordings of diverse ethnic instruments like kalimbas, taiko drums, Chinese bells and the guzheng. Play with otherworldly granular percussive loops, arpeggiated cinematic drums and mystical synth sounds, all designed exclusively for Padshop 2 by Gary Gibbons from Online Music Foundry.

Features

- 355 expressive presets for Padshop 2
- 193 manipulated stereo samples
- 135.3 MB samples in 48 kHz / 24-bit quality

Compatibility

Kingdom VST Sound Instrument Set is an expansion pack for Steinberg's Padshop 2, a Granular and Spectral Synthesizer.

* For Non-Padshop 2 users – This product is not compatible with Padshop or Padshop Pro.
